1) You can recharge an international call unit. The rate for an international call depends on where you're calling and whether it's a land line or cell phone. You can send only domestic texts.

2) When you've used up all your free data, an error message will appear and you will be kicked off the Internet. You cannot carry forward free data to the next cycle or add more.

For Unlimited services, speed will be reduced by 128kbps.

3) An initial fee will be \$44.99 per each line.

4) This is a prepaid service, so any remaining credit will not be refunded. You cannot carry forward credit to the next cycle.

5) Under this service, it is free to make and receive domestic calls, and it is free to receive international calls. Domestic and international roaming, call forwarding, three-way calling are not included.

6) Tethering is not allowed by this service.

7) We accept only VISA, Master or JCB Card for contracts.

8) Your unused 4G LTE data will rollover up to 10GB

*\*If you decide to change your rate plan, the data you have accumulated will be lost!*

*\*If your airtime expires, remaining rollover data will be forfeited*
